## Operational procedures and regulations regarding posting

(A) General posting procedure. The following procedure must be followed in order to post on university bulletin board. The facility curator is responsible for identifying the specific purpose of bulletin board and their purview. Any posting not fulfilling the following requirements will be removed from the bulletin board by a member of the staff. All bulletin board will be cleared at the end of every semester.

( ) On post prevention act bulletin board is permitted.

( ) The name of the or
