305.00 Non-University Speakers

Non-university persons/groups may be invited to participate in events sponsored in University facilities upon invitation of the student governments, other University schools and units, or registered campus organizations. Non-University speakers or entities may not schedule facilities or collect funds therein unless sponsored by a University department, official unit, or registered campus organization. It is the expectation of the University that all speakers and entities will recognize that the essence of the University is to provide for the free exchange of ideas and the expression of a variety of intellectual perspectives. On-campus programs should be designed in the best interests of the educational process, allowing appropriate opportunities for audience interaction.

The only facilities exempt from this sponsorship provision are the outdoor areas of the campus open to the public generally. Use of these areas by non-University persons without a campus sponsor, however, may not involve the use of amplified sound, and may not interfere with scheduled events by registered campus organizations and University departments.
