Clovis Community College

Guidelines and Process for Campus Postings

Clovis Community College encourages recognized student organizations and College programs and departments to share information about their programs, services, events, student clubs, classes, and more. The Student Activities Office is responsible for stamping and dating materials from recognized student organizations before they are posted inside the campus buildings. The College has developed a set of guidelines to help govern the placement of posters to ensure that we have a welcoming and safe environment. The following guidelines will assist you, recognized student organization, with sharing information related to your organization, program, or department. These guidelines are intended to:

- ¾ Facilitate greater campus community engagement and better communication of campus events.
- ¾ Keep the College's buildings clean and in good condition.

Posting Guidelines for College Interior Walls

- x All posters must be stamped and dated prior to posting on the designated interior bulletin boards
- x All postings on interior bulletin boards must maintain the official name of the recognized student organization, College department, or College program making the posting
- x Recognized student organizations may post 15 copies
