Dear President Zimmer:

Alan Charles Kors  
CO-FOUNDER AND  
CHAIRMAN EMERITUS

As you might remember from our previous correspondence, the Foundation for Individual Rights in Education (FIRE) unites leaders in the fields of civil rights and civil liberties, scholars, journalists, and public intellectuals across the political and ideological spectrum on behalf of liberty, legal equality, academic freedom, due process, freedom of speech, and freedom of conscience on America's college campuses. Our website, thefire.org, will give you a greater sense of our identity and activities.

BOARD OF DIRECTORS

Harvey A. Silverglate  
CO-FOUNDER AND  
CHAIRMAN

FIRE is concerned by the threat to freedom of association posed by the decision of the University of Chicago's Committee on Registered Student Organizations (CORSO) to deny Registered Student Organization (RSO) status to the student group Occupy Wall Street at the University of Chicago. This student organization has fulfilled all of the stated requirements for RSO status, and its mission and activities constitute core political speech at the heart of freedom of association principles.

In mid-October of this year, University of Chicago student Guy Mount submitted to CORSO a complete application for RSO status for Occupy Wall Street at the University of Chicago. The organization's mission is "to provide intellectual, logistic, financial, organizational and institutional support in solidarity with the local Occupy Chicago movement as well as the broader Occupy Wall Street movement." On the CORSO Organizational Information Questionnaire, answering the question "How would your organization becoming an RSO benefit the University community?" Mount wrote:
